● Criteria

Criteria for nomination to the DIA Hall of Fame may include the following:

- Significant Design achievements / Outstanding portfolio of influential practice
- Significant Industry achievements / Relevant professional activity
- Altruistic contribution to the Design Industry and/or broader community
- Engagement with Design Institute of Australia and/or other Professional Associations
- Awards, acknowledgements and recognition at a national and/or international level
- Published books, papers or articles
- Sought after for high level input and advice
- General character and public profile

● Notes

- Nominations to the DIA Hall of Fame are not required to be current or past DIA members
- A large number of nominations to DIA Hall of Fame are received each year. The role of the DIA Hall of Fame Committee is to consider all nominations, research them thoroughly and identify a limited number of inductees to be admitted each year. Unsuccessful nominations may be reconsidered in future years.
- Current members of the DIA Hall of Fame can be viewed at www.design.org.au/hall-of-fame-1
- All nominations to DIA Hall of Fame are strictly confidential
